Family Walks in the Woods

Join Donovan and Jill Porterfield for some fun family outdoor adventures this summer. We will explore easily accessible areas of our beautiful mountain woods, while together learning more about a unique and wonderful place, the San Juan National Forest. Feel free to attend any or all of the programs listed here.

- Children of all ages are welcome to join the fun!
- Please leave your four legged friends home and children must be joined by an adult.
- All dates are weather permitting!
- Dress for being outside and bring plenty of water!
- Bring a picnic if you and your family would like to join Donovan and Jill for lunch after the programs!

Directions: For convenience we will begin our adventures each time at the parking area on the left side of Piedra Rd. just after the first cattle guard, about five and half miles north of Hwy 160.
